

UHC Student Contract for 6-12th Grade Students

The Upstate Homeschool Co-op (aka UHC) is an academic Christian community that seeks to provide quality supplementation to its member's homeschool education in an appropriate Christian setting. As with all communities, membership in a Christian community carries with it certain responsibilities put in place to create an atmosphere conducive to growth and development in its members not only academically, but also socially and spiritually. For those members who are not committed to the cause of growth in all of these areas, the guidelines put in place to nurture that growth can feel like a burden. For this reason, it is assumed that all student members of UHC will sign and abide by this agreement as brothers and sisters in Christ committed to being positive contributors to this community.

I, _____, as a student at the Upstate Homeschool Co-op agree that co-op classes are a priority in my home education. Therefore, I agree to the following:

- Check my assignments in Jupiter Ed and come to class prepared with homework completed for that week, understanding that I will receive a grade for these classes.
- Take responsibility for my own education.
- Submit and abide by all governing policies of the UHC, including all applicable policies in the UHC Handbook and Biblical principles contained in the Statement of Faith, even if the policies and principles do not necessarily reflect my personal preference or point of view.
- Contact my instructor if I will be absent and make plans for making up work per the UHC Absence Policy.
- Give any test(s) to my parent(s) for them to hold until the designated test time for the parent to proctor the test according to UHC Testing Policy and Procedure.
- Respect my parents, teachers, peers, and all other adults on the UHC campus.
- Respect and care for the co-op's equipment and the property of the host facility.
- Adhere to these policies and principles at all times while on the UHC campus and at any other UHC sponsored events held off campus including but not limited to socials, dances, and field trips.
- I understand that admission to the Upstate Homeschool Co-op is a privilege, not a right, and that any behavior, either on or off campus, which is inconsistent with UHC's standards could result in the loss of that privilege.
