

Earn college credit while in high school

Want to take college classes while you're still in high school? We've got you covered! Upstate Homeschool Cooperative has a dual enrollment program partnership with North Greenville University. This program allows high school juniors and seniors—like you—to earn undergraduate credit by taking college-level courses.

But earning college credit right now is only one benefit of North Greenville's Dual Enrollment Program. You'll also:

- Make college more affordable while minimizing your potential debt
- Reduce your future course load so you can focus on your major
- Enjoy learning from a biblically faithful, Christ-centered perspective
- Experience life as a North Greenville student as you participate in on-campus activities

Earn college credit. Elevate your future. And prepare to thrive in whatever comes next. All thanks to North Greenville University's Dual Enrollment Program.

TUITION AND FEES

Tuition for dual enrollment at NGU is a flat fee of \$100 per credit hour. Lab fees may apply for some courses, such as certain science and music courses. UHC will collect the fees through their normal payment methods and schedule.

ADMISSION REQUIREMENTS *All students admitted to the program must meet the following admissions criteria:*

- Student in good standing in grades 11 or 12
- Cumulative GPA of 3.0 (on a 4.0 scale)
- Approval from parents/legal guardian and UHC school
- Completed official NGU dual enrollment application, along with submission of non-refundable \$35.00 application fee
- Students must have earned 3 credits in high school English to take ENGL 1310 or ENGL 1320
- Students must have earned 3 credits in high school mathematics to take MATH 1310, MATH 1315, or MATH 1330
- Apply at go.ngu.edu/apply

CLASSES TYPICALLY OFFERED

FALL

ENGL 1310 - English Composition and Rhetoric

An introductory study of the different types of expository writing with a review of grammar and mechanics. Several short papers are required.

3 credit hours

MATH 1310 - College Algebra

A college level course covering operations of real and complex numbers: First and second degree equations; inequalities; linear functions; systems of equations; operations on polynomials; rational expressions and exponents; ratio and proportion; radicals and quadratic equations; exponential and logarithmic functions.

3 credit hours

LDRS-2310 - Introduction to Leadership

This course provides students with exposure to leadership styles, values, and challenges, as well as the theory that informs contemporary leadership practices and issues. This course will enable students to analyze and assess their own management and leadership strengths and weaknesses, and it will encourage them to act intelligently to grow in their own roles as managers and leaders in the present and the future.

3 credit hours

PLSC-2310 - American National Government

An introduction to American National Government. Major topics include the Constitution and the three branches of the national government, as well as political parties, elections, and interest groups. This course is a prerequisite for all upper-level American Politics courses.

3 credit hours

SPRING

ENGL 1320 - English Composition and Literature

An introductory study of prose writing focusing on the argumentative essay and critical writing about literature. Several essays and a research essay are required. English 1310 is a prerequisite to this course.

3 credit hours

MATH 1330 - Probability and Statistics

A study of central tendency and variability measures as well as binomial and normal probability distributions. Additionally, calculations involving linear relationships and correlation of variables are covered.

3 credit hours

AFTER HIGH SCHOOL – CONTINUING AT NGU

Once you've completed classes at NGU as a dual enrollment student, we'd love to have you continue your education with us as a college student. You are already familiar with our small class size, our Christ-centered learning environment, and our genuine and caring faculty and staff. We'll even offer a scholarship to you if you decide to earn your bachelor's degree at North Greenville University. The scholarship amount is based on the number of credit hours you've completed with NGU's Dual Enrollment Program, and you must enroll as a full-time student through our on-campus program.

These scholarships make your NGU education even more affordable.

Course Credit Hours	Total Tuition per DEP Course	Scholarship Amount per DEP Course	Net Cost per DEP Course
4 Credit Hours	\$400	\$300	\$100
3 Credit Hours	\$300	\$200	\$100
2 Credit Hours	\$200	\$100	\$100
1 Credit Hours	\$100	-	\$100
