Course Description

This class will require daily parent supervision/teaching. We will be teaching with [*Structure and Style for Students: Year 1, Level B*](#) from IEW. Research has shown that if our students can write well by the end of junior high, they will be more successful in all areas of high school work. Since mastery of structure and style is the purpose of

this course, use this program across your own curriculum to fit your child's individual needs.

Additionally, we will work on editing and grammar skills using the IEW Fix-It program, [*Fix It! Mowgli and Shere Khan, Student Book*](#). Teachers will introduce new grammatical concepts each week, and parents will complete the grammar and editing assignments with their students at home each week. Students will spend an average of 15 minutes per day, on non-co-op days, at home on Fix It! assignments. Parents may need guidance working through the Fix It curriculum at home, and if so will need to purchase the [teacher's manual](#). To learn more about this unique grammar and editing program please watch ["How IEW's Fix It! Grammar Program Works."](#)

To be successful in this class:

Students need to be working on IEW material every weekday (45 -60 min daily) in order to obtain mastery. Assignments will be given on the material presented in class. All assignments will be due the following week. **All compositions will be turned in as hard copies; printer capabilities are a requirement for this course.**

Parents will be given different checklists during this course. You are to use these to grade your child's work. (The students should read the checklist and actually check off all items for the assignment.) The parent should make sure the final copy is completed and then sign or initial the checklist. If you know your child will miss a class, contact the teacher to make plans to work through the material with your student at home. Course content will be presented in class; however, you are the primary teacher!
